**Mushkegowuk Environmental Warning
System**

WHEREAS the communities of
Mushkegowuk have on occasion
experienced incidents of severe weather
storms resulting in the damage and
destruction of buildings including supporting
infrastructure; and

WHEREAS Environment Canada does not
provide environmental and severe weather
warning specific to the communities of
Mushkegowuk;

THEREFORE BE IT RESOLVED that the
Chiefs and Delegates in Assembly mandate
the Grand Chief and the Executive to explore
with Environment Canada and investigate
the development and implementation of an
environmental and severe weather warning
system for the Mushkegowuk communities.
